

A magazine for crop management

Readers are crop management specialists. The magazine covers all aspects of crop management throughout the farming year. Magazine is arranged in crop sections during the season owing to plant protection, plant nutrition, seeds and technology of growing. Every month there is one topic discussed deeply in special section. Magazine is full colour in range of 80 pages. The magazine is significantly represented among readers in the Slovak Republic and is classified as a special reviewed magazine.

The rules for publishing all-type advertisements and company articles
<p>1. All-type advertisements – the price corresponds with the prices for conventional sheet advertisement</p> <p>All-type ads are equivalent to the conventional sheet ads. This kind of ads paid in full amount according to the price list does not have to be designed in the same manner as the own journal but it can be supplied completely by the client (firm, PR agency). Logos and contacting data of the producer or vendor can be part of this ad. The article will be marked as advertisement. All-type ads have to be delivered by the client in complete form. The copy editors will not prepare this type of ads.</p>
<p>2. Company text paid by 50 % of the price for sheet advertisement according to the price list</p> <p>It concerns a commercial article that does not include client's logo and contact. The theme should at least generally correspond with the theme of a given journal. The name of the author and company is given together with the author's signature. The article is marked as advertisement, it has the same graphics as the journal and it is produced by our graphic studio. Company text has to be delivered by the client in complete form. The copy editors will not prepare this type of ads.</p>
