Notice

The advertiser guarantees that in the document (ai, eps, pdf) will be no invisible characters and that the attributes will be defined correctly. If the advertisement in pdf or eps formats do not have the appropriate parameters, we will convert the document into a bitmap with a resolution of 300 dpi, which may cause illegibility of small prints and colour changes. The publisher is not responsible for these changes and any complaints are the responsibility of the advertiser. Logos and graphics from the fax are unacceptable. Poor quality materials such as copies from duplicating machines, business cards or letterheads, materials from colour inkjet printers, bit-mapped photographs, etc. will be accepted with a warning of poor quality in the press. We are not responsible for errors caused by the poor quality of the text or other hidden defects in the supplied documents. If the colour preview of the advertisement is not provided (cromaline, digital proof), the publisher does not guarantee the colour scheme.
