## Agriculture weekly magazine

Colourful professional weekly magazine, published in the Czech Republic and Slovakia, which focuses on selected information from journalism, plant and animal production, mechanization and economics. It includes a monthly special appendix focused on all areas of the agricultural sector.

From 2021, each issue will be monothematically focused on selected topics from all areas of agricultural production. It will also be possible to rent part of the magazine as a catalogue for advertisement purposes in the range of 2 to 4 pages within the project Agronomy/Animal/Technical Exclusive. These sections guarantee exclusivity in the given issue.
