PROFESSIONAL MAGAZINES FOR AGRICULTURE

# ÚRODA / CROP HARVEST

## Specialized professional magazine for plant production

The target audience of this magazine are workers specializing in crop production. The magazine covers all fields of crop production, within the year/season context. The articles are listed in the system of crop sections and currently reflect the topics of the season in terms of plant protection and nutrition, seeds and seedlings and cultivation technology. One topic is then considered more comprehensively. The magazine is full colour, with an average scope of 88 pages. It is also significantly represented among readers in the Slovak Republic and is included among the professional peer-reviewed periodicals.
