MODERNÍ OBEC / MODERN MUNICIPALITY

A specialized magazine for public administration

For twenty-nine years, the Modern Municipality magazine has been appreciated assistant to mayors and other municipal representatives and staff. Regional executives, together with representatives and regional authority staff make up the largest group of magazine readers. The magazine is distributed mainly via subscription. Magazine Modern Municipality focuses on finances and economics, municipal administration and development, basic infrastructure including public lighting, local government and management, waste management, residential construction, historic building care and public greenery, cultivation of public space, information and communication technologies and other areas which are needed for successful public administration.

Very important are also sections Legislation and Legal Advice, these contain an intelligible interpretation of laws and regulation with comments published by experts working for the central government authorities, leading academic institutions and legal offices specializing in the local government law, as well as by municipal lawyers. The magazine is published glue-bound, printed on wax paper and contains 64 pages on average.
